<i>Only the best Primitivo grapes are hand-picked from low yield vines in Puglia. Grapes are dried on straw mats for 12 days (the appassimento' process) adding to the ripe plum and black fruit flavours and gentle spiciness. A fantastic winter warmer, delicious on its own or with red meats.</i>

<i>Searching for innovation, Foncalieu were looking to produce a fresh & floral wine in the Languedoc. They brought Albarino, a Galician grape variety, to their home & the result is excellent. A beautifully crisp wine with aromas of white flowers & honey.</i>
